

## Coronavirus Impact

This document features:

1. In-Person Meetings health guidelines for conducting in-person meetings
2. Virtual Meetings notification process and tips on conducting virtual meetings
3. Virtual Meeting List and connection information (pages 2, 3, 4, 5)
4. Tips for connecting via FreeConferenceCall.com (page 6)
5. Safety guidelines for using ZOOM (pages 7 and 8)

## In-Person Meetings - Health Guidelines

If your meeting is held in-person, here are some suggestions/thoughts/ideas on how to be safe while still engaging the fellowship:

- Avoid touching your face, nose, and mouth.
- Cover your mouth when sneezing/coughing, not with your hands but with tissue or elbow.
- Wash your hands after shaking hands or just do elbow bumps instead of handshakes.
- Avoid passing anything around the room, instead have "how it works", "12 steps", and "12 promises" read fully by one volunteer each.
- For the 7<sup>th</sup> tradition of collecting money to support the fellowship, leave the basket in one place and have folks get up and leave money there.
- Once money is placed in the basket, don't touch it (except for treasurer).
- During the closing prayer, remember to keep the recommended distance apart

## Virtual Meetings –Notification Process and Meeting Format Tips

Due to the Coronavirus Pandemic, most locations that host in-person meetings have closed their doors. Refer to the virtual meeting list on the next page, note the meeting that you wish to attend and the virtual meeting connection information for that meeting. If your meeting is not listed and your meeting space is closed, send an email to [DCmetroSAA@gmail.com](mailto:DCmetroSAA@gmail.com) with meeting day, time and location, indicate that it is closed and request connection information if you need it or provide connection information if you have something setup for your group.

**More updates will be posted as the Intergroup receives cancellations, closings, etc.**

If you need a meeting format to conduct your virtual meeting, go to the “Meeting Locator” tab and note the links to sample meeting format in both pdf and MSword.

Recommended options for 7<sup>th</sup> Tradition Passing of Basket during your virtual meeting:

1. Individuals may make contributions electronically via PayPal to Intergroup. Include this message in the PayPal note: "General Donation"
2. If donating electronically to Intergroup on behalf of your meeting, you must include your Meeting ID in the PayPal note. Locate your “Intergroup Donation Meeting ID” in the table below. Donations with a meeting ID will be reported back to your meeting's Intergroup Rep as your group’s donation to Intergroup.
3. Other options as decided by your group.

For Intergroup Donations via PayPal <https://www.paypal.me/dcmetrosaa>

- **Do NOT use "Paying for a good or a service" option**

Please reference items 1 and 2 above for the appropriate note to place in the PayPal note when you make your contribution.

*Thank you and stay healthy and safe!*

Last updated: **9/27/2020 1:19:00** If viewing in a browser, **do a refresh** to ensure you have the latest version

If a meeting does not appear in this list, reach out to the meeting point of contact on our website for that meeting to see if it is open for in-person. If it is not open, refer to page 1 for the notification process.

Note: Connection Info which starts with “Dial-In:” indicates a meeting via **FreeConferenceCall.com**. Due to high call volume during this pandemic, busy signals can occur; check the tips at the end of this list for improved connections.

### **Tips for connections via [FreeConferenceCall.com](https://FreeConferenceCall.com):**

- **Download the latest version of their mobile app.** There is built in call routing technology to help avoid phone carriers that are experiencing high congestion. In the app you can also choose to call in using Wi-Fi. We suggest trying this if you previously called in and received a busy signal
- **Schedule meetings 5, 15, 45, or 50 minutes past the hour.** As an example, try scheduling your meeting to start at 9:50 instead of 10:00. This is because demand surges on the hour and the half hour and your phone carriers' network will be most strained at those times.
- **If you call in and receive a busy signal send a text that says "Help" to your conferences dial-in number.** Support personnel will then send you backup numbers that you can use.
- **If you have AT&T, tweet them @ATT and tell them they need to stop blocking calls to [FreeConferenceCall.com](https://FreeConferenceCall.com).**

## ZOOM Security Guidelines for DC Metro Area SAA Meetings

**NOTE:** As of September 27, 2020, Zoom now requires that all meetings use a password or waiting room as part of basic security. Enhanced security is an option. Please read these guidelines and email [dcmetrosaa@gmail.com](mailto:dcmetrosaa@gmail.com) with any questions.

### Basic Security:

Basic Security is currently available and requires some attentiveness. Following these basic security practices can offer another measure of security for anonymity and privacy for all groups.

1. A password will be required by anyone wanting access to the meeting. Each meeting attendee must enter a password to access the Zoom meeting. This will require a posting on the website with an email address or cell phone number or some other way that a newcomer can gain access to the password.
2. Every individual that enters a meeting can be questioned to confirm their home meeting and whether they are a newcomer. All phone numbers must self-identify.
3. Announcement is made regarding the possibility of an interruption and announce what the procedure will be to end the meeting in the event of an interruption.
4. Those who enter after the meeting has started should still be screened.  
In the unlikely event that a meeting interrupted in a manner that prevents continuation or is unsafe, the chair should announce the end of the meeting immediately. The host should execute the permission to end the meeting for all attendees.

### Enhanced Security:

The only meetings that can request enhanced security settings are those utilizing the Intergroup Zoom account (<https://zoom.us/j/810064508>). The meeting can be scheduled using the meeting's own preferred security settings. Each meeting can then modify the settings during the meeting to suit their group conscience. To make a request for enhanced security, please email Metro SAA Intergroup at [DCMetroSAA@gmail.com](mailto:DCMetroSAA@gmail.com) with your request and more details will be provided.

Any group requesting enhanced security for their meeting must request enhanced security in the email. Also note that a group requesting enhanced security will receive a unique meeting link and a meeting password. The meeting will also require a host to login.

### Additional Security Settings available if you request enhanced security:

1. Enable a waiting room that attendees are sent to and must be approved by host. This "waiting room" can be disabled during the meeting and must be done by a host. Therefore, someone must be delegated to be the host and must sign in as host. Detailed instructions will be provided when the meeting ID and password is issued to the requestor.
2. Do NOT allow participants to join before the host.

### Host Management Options

"Manage Participants" icon:

1. Remove a participant who is being disruptive

2. Mute and unmute all or individual participants
3. Lock a meeting to prevent additional participants from joining (“Manage Participants” then “More”)
4. Prevent participants from renaming themselves (“Manage Participants” then “More”)
5. Play Enter/Exit Chime (“Manage Participants” then “More”)
6. Mute Participants on Entry (“Manage Participants” then “More”)

“Share Screen ^” icon:

7. Screen Sharing Options: All Participants or Host Only (“^” beside “Share Screen” icon “Advanced”)

“Share Screen” icon:

8. Disable participants annotation (ability to draw on a shared screen, “... More” icon)

“Chat” icon:

9. In-meeting chat options (“Chat” icon then boxed “...” icon at bottom of chat window)

Other Potential Security Issues:

10. Virtual Background (images can be displayed as a background, cannot control other participants)

Important Main Screen Meeting Controls

11. End meeting for all participants “End Meeting”

[Support.zoom.us/hc/en-us/articles/201362603-What-Are-the-Host-Controls-](https://support.zoom.us/hc/en-us/articles/201362603-What-Are-the-Host-Controls-)
